

2019 Pearson Teacher Awards

Kingdom of Saudi Arabia

This year, we launched the first-ever Pearson Teacher Awards in the Kingdom of Saudi Arabia, to celebrate and reward outstanding teaching and leadership practices.

We were delighted to receive over 350 nominations from all across the Kingdom and wanted to take this opportunity to thank everyone who nominated a star educator for a prize!

Our judging panel has now reviewed and assessed all of the nominations and evidence provided in detail according to the Pearson Teacher Competency Framework criteria. There were many excellent nominations and as a result, we are delighted to announce the Pearson Teacher Award four finalists in each category!
