

Sociology

Introductory Sociology

Sociology, 16e

John J. Macionis

©2017 • 744pp • Paperback

Course: Introductory Sociology

Sociology empowers students to see the world around them through a sociological lens, helping them better understand their own lives and the world we all share. Author, John Macionis, takes students step by step through the theories and research that make up the discipline, helping them to find and use the science of social behavior in everyday life. In addition to extensively updated data, the Sixteenth Edition offers engaging discussions of hot-button contemporary topics such as the increased proliferation of social media as well as expanded coverage of race, class and gender.

Criminology

Criminology: An Interdisciplinary Approach

C. Ray Jeffery

©2005 • 496pp • Paperback

Course: Introduction to Criminology

An examination of criminology as both a behavioral science and an interdisciplinary science. Argues for a criminology based on a synthesis of biology, sociology, psychology and other behavioral sciences. Suggests prevention and treatment as an alternative to the current retribution and deterrence theories of crime and criminal justice. Emphasizes crime prevention through environmental design and bioenvironmental theories. Discusses modern genetics, brain sciences and psychology as critical aspects of behavior. Debates legal vs. scientific approaches to criminal behavior.

Exploring Research, 10e

Neil J. Salkind

©2022 • 280pp • Paperback

Course: Research Methods in Sociology

Exploring Research presents an unimposing look at the basics of research, describing how to collect and analyze data and providing thorough instruction on how to prepare and write research proposals and manuscripts. It covers the research process, problem selection, sampling and generalizability, and the measurement process, as well as the most common types of research models used in the social and behavioral sciences. This edition covers new electronic sources for research, including social media, and places a strong emphasis on ethics.
