THE 2016 PEARSON ELT CATALOGUE

Guide, Discover, Inspire

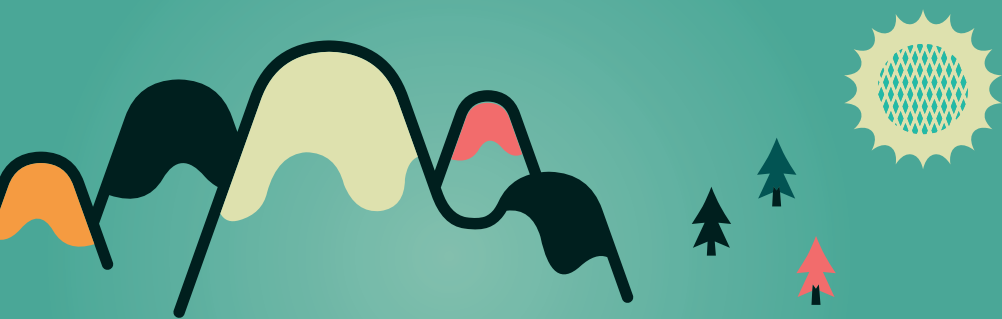

Welcome to the 2016 Pearson ELT catalogue.

At Pearson, we are always looking at ways we can support you in your teaching. This year, we bring a fresh, new look to our catalogue to showcase our products in a more simplistic way so you can see, at a glance, what the product is and how you can have it, and how best to use it to suit you and your learners' needs.

It is a journey and we will be with you every step of the way.

Global Scale of English (GSE)

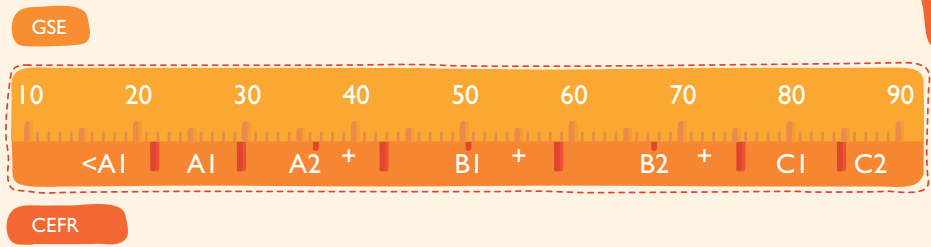

The GSE is a standardised, granular scale that measures English language proficiency. Unlike some other frameworks that measure English proficiency in broad bands, the Global Scale of English identifies what a learner can do at each point on a scale from 0 – 90, in each of the four skills: listening, reading, speaking and writing. Using the GSE, students and teachers can now answer three questions accurately:

Developing a more granular proficiency scale

The GSE builds on research by Brian North and the Council of Europe in creating the Common European Framework of Reference for Languages (CEFR). The GSE has been psychometrically aligned to the CEFR.

The Global Scale of English represents the most significant advance in performance-based approaches to language learning, teaching and assessment since the development of the Common European Framework of Reference.

David Nunan Ph.D.
Professor Emeritus of Applied Linguistics
University of Hong Kong

Cross-industry collaboration to extend the CEFR

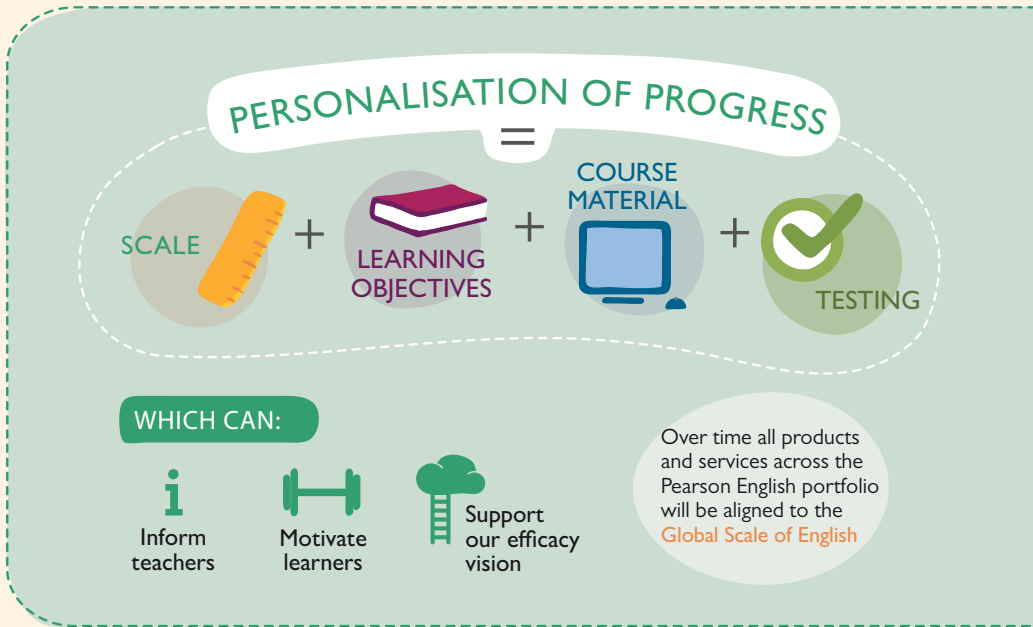

Proficiency on the GSE is described in terms of learning objectives – or Can Do statements – similar to and including many of those in the CEFR. Hundreds more were developed, with input from 6000 teachers from over 50 countries, to support a more granular definition of language proficiency.

The GSE Learning Objectives are freely available for teachers to use.

Personalised learning through tailored learning objectives

Along with the learning objectives the GSE provides a comprehensive solution for English language teaching and learning with:

- A proficiency scale
- Teaching and learning materials such as Speakout 2nd edition
- Low- and high-stakes assessments such as Progress
- A range of Learning Objectives for Adult Learners of General English, Academic English, Professional English and Young Learners (aged 6-14)

For more information and to download the 4 sets of GSE Learning Objectives visit [English.com/gse](https://www.english.com/gse)

MyEnglishLab

MyEnglishLab offers online teaching and testing that you can use independently or with your favourite Pearson courses.

Some features of MyEnglishLab may differ according to product. Please check with your local representative for more details.

Enriched Learning

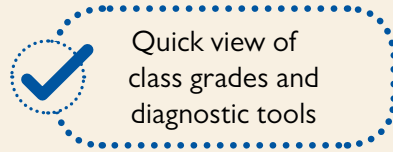

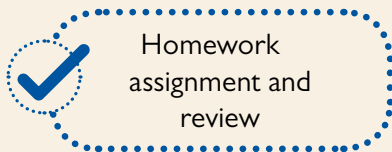

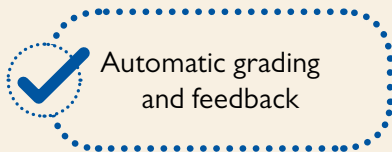

MyEnglishLab delivers interactive activities and online tools that help to motivate students. MyEnglishLab gives students tips, automatic feedback and instant grades, allowing them to study at their own pace and keep track of their performance.

Informed Teaching

The intuitive grade book and diagnostic tools provided with MyEnglishLab reveal, at a glance, how your students are performing. Instant analysis of common errors helps teachers use valuable classroom time to target the areas which will benefit students the most.

Flexible Solutions

With MyEnglishLab students can practise where and when they want. In just a few clicks, teachers can choose activities and tests that meet the specific requirements of a teaching situation, and assign activities to groups of students with different needs to help them reach their goals more effectively.

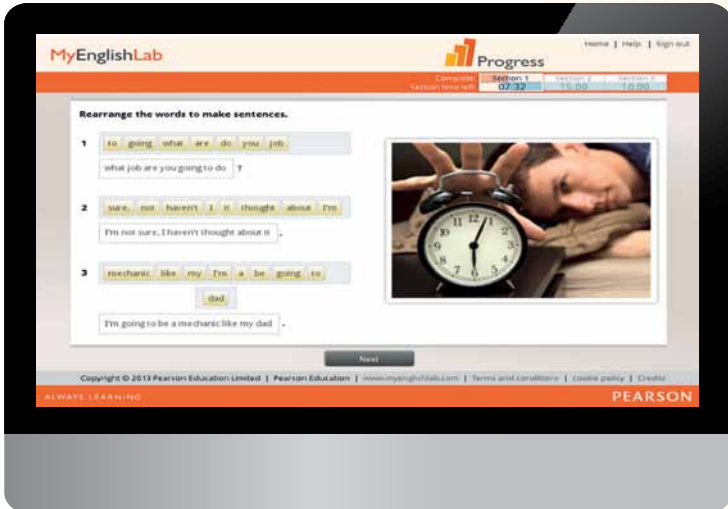

For more information go to:

www.MyEnglishLab.com

See precise and consistent assessment of student proficiency in English.

Personalise your teaching based on what your students really need to learn to make progress.

Measure student progress against recognised standards during your course.

The screenshot displays the MyEnglishLab Progress interface. At the top, the logo "MyEnglishLab" is on the left, and "Progress" with a bar chart icon is on the right. Below the logo, there are navigation links for "Home", "Help", and "Sign out". A progress bar shows "Completed" and "Remaining time left" for "Section 1" with a timer at "07:32". The main content area features a grammar exercise titled "Rearrange the words to make sentences." with three numbered items. Item 1: "to, going, what, are, do, you, job" with the sentence "what job are you going to do?". Item 2: "sure, not, haven't, I, it, thought, about, I'm" with the sentence "I'm not sure, I haven't thought about it.". Item 3: "mechanic, like, my, I'm, a, be, going, to" with the sentence "I'm going to be a mechanic like my dad.". To the right of the exercise is a photo of a young man looking at an alarm clock. At the bottom of the interface, there is a "Next" button, a copyright notice for Pearson Education Limited, and the Pearson logo with the tagline "ALWAYS LEARNING".

Progress

Introducing *Progress*: The first ever integrated skills test package specifically designed to objectively and accurately measure student progress across all skills during a course.

NEW

BIG SCIENCE

Engage learners with a rich variety of science content using English, expanding knowledge and understanding of both.

THE
5E'S

This CLIL series uses the 5E learning sequence to help your students to build their own understanding of new ideas.

ENGAGE

EXPLORE

EXPLAIN

ELABORATE

EVALUATE

Every unit is based on a specific topic or concept, such as **Earth and Weather** or **Environment and Living Things**, and lessons are enriched with activities, animated labs and videos to engage the students, build experience and knowledge and construct meaning.

Not only will Big Science teach students English and Science, the course incorporates Assessment for Learning and 21st Century Skills.

SYMBOLS KEY

How to use these symbols

This key is designed to enable you to see, at-a-glance, important information about our courses and products.

On any product page, look for the icons that appear in the title bar that depict the delivery style, language and available levels for a course, as well as the expected range you can achieve on the GSE and CEFR.

Type of product

Print: The course uses printed materials only, there are **no digital** assets.

Digital: The course features digital components only, such as **eText, ActiveTeach** or **MyEnglishLab**.

Blended: The course is available in print but has supporting digital elements such as **eText, ActiveTeach** and **MyEnglishLab**.

Measurement system

The range a product covers in the **Common European Framework of Reference** (for languages).

The range a product covers in the **Global Scale of English**.
*GSE not applicable to Primary courses

The number indicates **how many levels** a product has.

Languages

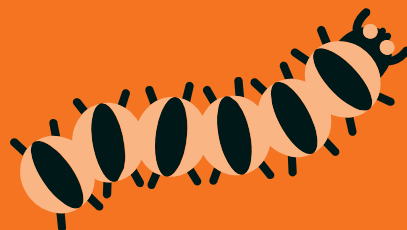

The product is available in **American English**.

The product is available in **British English**.

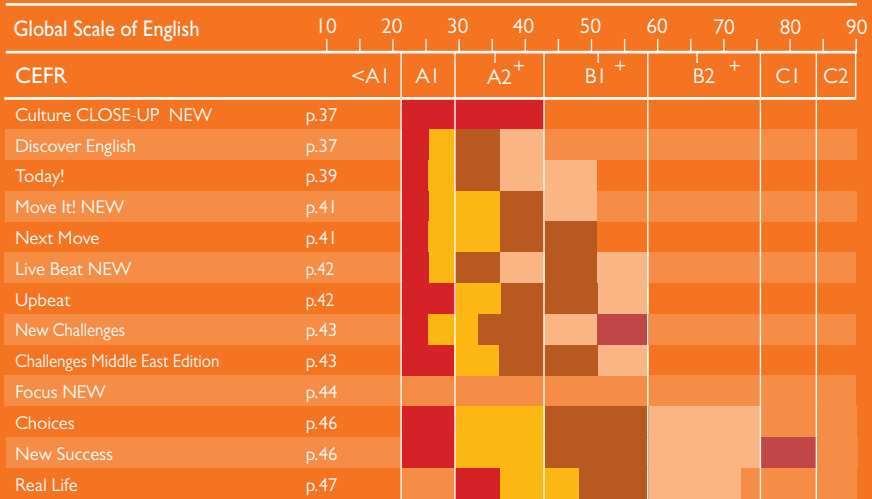

The product is available in **International English**.

SECONDARY

Secondary correlation chart

This chart is designed to show where each of our products fit with the Global Scale of English and CEFR. This will help you to choose the course which best fits your students' needs.

The following Secondary courses can be used as test preparation material for the internationally-recognised Pearson Test of English General (PTE General).

Explore Cultures, Improve your English!

English teaching videos that familiarise secondary students with British and American cultures. All the videos are accompanied with student worksheets to help teachers make the most of their time.

The videos can be customised to support and encourage students with different levels of English. They offer alternative voiceovers and accompanying worksheets (easier and more challenging) and an on/off subtitles function to adjust the level of support to students' language proficiency.

TODAY!

Tamzin Thompson, David Todd, Sandy Zervas, Erika Stiles

Don't wait for tomorrow, learn English... today!

Today! is a four-level course that shapes learning around the individual, understanding that no two students are the same. Lessons feature kids in authentic situations, making English easier to understand, learning more enjoyable and teaching more effective!

New Student's eText provides interactive and multimedia activities so students can continue to learn outside the classroom.

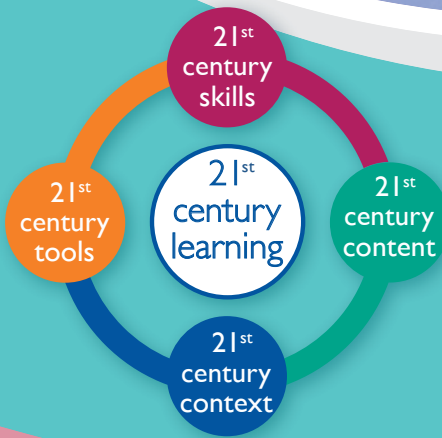

New Today! Grammar worksheets available online as photocopiable resources provide extra pen-to-paper practice.

SYMBOLS KEY

How to use these symbols

This key is designed to enable you to see, at-a-glance, important information about our courses and products.

On any product page, look for the icons that appear in the title bar that depict the delivery style, language and available levels for a course, as well as the expected range you can achieve on the GSE and CEFR.

Type of product

Print: The course uses printed materials only, there are **no digital** assets.

Digital: The course features digital components only, such as **eText**, **ActiveTeach** or **MyEnglishLab**.

Blended: The course is available in print but has supporting digital elements such as **eText**, **ActiveTeach** and **MyEnglishLab**.

Measurement system

The range a product covers in the **Common European Framework of Reference** (for languages).

The range a product covers in the **Global Scale of English**.
*GSE not applicable to Primary courses

The number indicates **how many levels** a product has.

Languages

The product is available in **American English**.

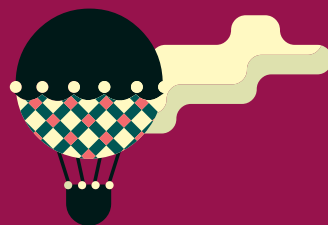

The product is available in **British English**.

SPEAKOUT

Antonia Clare, Frances Eales, Steve Oakes, JJ Wilson

Developed in association with BBC Worldwide and BBC Learning English, Speakout brings the real world into your classroom.

With its authentic material from the BBC, Speakout exposes students to language as it is really used, giving them confidence to communicate. Lessons cover all four skills, grammar and vocabulary. Each unit ends with a lesson based around an extract from a BBC programme which provides a springboard for speaking and writing tasks. Street interview videos filmed by the BBC also give students access to authentic English.

“It’s a very exciting time to be involved in learning a language because there is just so much out there. The challenge is how to make sense of it.

People realise the internet is out there and there’s lots of English on it but it’s very, very difficult for a student to find their way through that information. So what we tried to do is guide them carefully, so that task becomes something manageable, do-able.

These are the kinds of skills people need nowadays and this is what people are doing – researching things on the internet, so the more we can connect the classroom material with the real world out there, the better.”

New English Please is a two-level course in English especially written for students in the Arab World, comprising Level 1 for beginners and Level 2 for elementary students.

The course combines a steady, step-by-step approach with regular recycling and practice of new language and skills. Offering teachers a choice of two entry points for students, the course recognises learning styles favoured in the Arab World and provides topics and material which are relevant and culturally appropriate.

New English Please is a fully integrated course which:

- Includes an engaging ActiveBook at the back of the Students' Book featuring self-score interactive exercises, listening activities and an English/Arabic wordlist
- Provides a separate workbook with activities suitable for class or home use
- Features rubrics in both Arabic and English in the Students' Book introductory unit
- Pays special attention to the mechanics of writing
- Focuses on areas of pronunciation and grammar which are particularly relevant to Arab learners
- Contains regular revision units and a continuing storyline
- Summarises grammar and vocabulary at the end of each unit
- Provides tests and supplementary material via the Teacher's Book

ENGLISH IN COMMON

Series Consultants: Maria Victoria Saumell, Sarah Louisa Birchley

English in Common is an integrated-skills, American English course with clear learning objectives built around CEF standards.

The six-level communicative course motivates students to learn through:

- Can Do objectives built into a structured approach, giving students direction and purpose
- Guided Discovery methodology, making students into active and motivated learners
- Relevant international content that engages students in communicative tasks – even from day one

www.pearsonELT.com/englishincommon

English in Common is also available as a blended learning programme with MyEnglishLab.

Reviewed by a team of highly experienced educators around the UAE, Qatar and Kingdom of Saudi Arabia

Meaningful integration of critical thinking skills, language skills and academic skills help learners develop strategies for academic and personal success. NorthStar continues to engage and motivate GCC students through new and updated contemporary, authentic topics in a seamless integration of print and online content.

- Culturally appropriate content with a strong focus on the Arab world with regionalised content reviewed and approved by UAE/Qatar/KSA educators
- Strong skills focus – Integration of the two strands, Reading + Writing and Listening + Speaking
- Complete assessment set that includes a placement test and achievement tests for each unit (Clear CEFR and Global Scale of English benchmarking)
- New authentic reading, video and audio material at all levels – culturally appropriate video clips provide a wider perspective on topics from a range of sources
- Latest pedagogical approaches (task-based learning, 21st century skills)
- Includes print workbooks as an additional component for the GCC, to ensure students get as much practise as possible both on paper and online

NORTHSTAR

(B) (AE) 5 LEVELS (A1 C2)

Series Editors: Francis Boyd and Carol Numrich

John Beaumont, A. Judith Yancey, Natasha Haugnes, Beth Maher, Laurie Barton, Carolyn Dupaquier, Andrew K. English, Laurie Monahan English, Robert F. Cohen, Judy L. Miller, Polly Merdinger, Robin Mills, Laurie Frazier, Helen Solórzano, Jennifer P. L. Schmidt, Tess Ferree, Kim Sanabria, Sherry Preiss

This five-level course engages students through authentic and compelling content and empowers them to achieve their academic and personal goals.

4th Edition

Conceptualized to promote critical thinking, NorthStar fourth edition infuses analysis, synthesis, evaluation, and application throughout every lesson, not just in a critical thinking section like in other series.

MyEnglishLab online activities offer support and expansion, fully blending the student book with MyEnglishLab for extra practice, in-depth analysis, ongoing assessment, and instant feedback. Teachers can now monitor student performance to personalize learning and increase student motivation.

New and updated content, with thought-provoking themes ranging from phobias to social media, will connect students to the most current content available. Inclusion of explicit language skills allows students to build their language proficiency. Presentation and practice in each unit raise student awareness of key academic skills.

Use the Teacher Resource eText to access:

- A digital copy of the Student Book for whole-class instruction.
- Downloadable achievement and placement tests.
- Printable resources including lesson planners, videoscripts, and video activities.
- Classroom audio and all video clips.
- Teacher’s manuals including answer keys.

This brand new edition of *Keep Writing* has been fully revised and updated to meet the needs of Arab students living and working in a rapidly developing world.

Keep Writing is a two-stage, self-contained course in writing English aimed at elementary/intermediate-level Arab students.

While keeping the features that made the first edition so popular, the new edition features new topics and regional content, supported by full-colour illustrations and photographs.

The course guides students step-by-step towards writing simple and accurate paragraphs, paying close attention to sentence structure, verb formation, punctuation and the use of capital letters.

Continuous graded practice is provided through a variety of exercise types, and all exercises are based on realistic topics and language functions, which are motivating to the students and useful in real life situations.

Keep Writing may be used for writing practice within a language course, either with whole classes working together or with each student working at his or her own pace.

Please contact your local Pearson representative for full details of the digital components that support this course.

Market Leader is a five-level English course for students who want to learn English and learn about business, and for business people who want to advance their careers.

It has been developed in association with the *Financial Times*, one of the leading sources of business information in the world. *Financial Times* material introduces students to topical business issues and builds the professional language and communication skills required for the modern world of business. Now with:

- Premier lessons: a constantly updated bank of lessons based on the latest *Financial Times* articles available on MyEnglishLab.
- BEC support: dedicated support for The Cambridge Business English Certificate reading and writing elements.
- Flexi editions: half a coursebook and half of the equivalent practice file, perfect for short and intensive courses.

3rd Edition

“We have been using Market Leader... for many years. Authentic business sources such as the *Financial Times*, informative interviews and interactive case studies make this course unique and enjoyable. In spring semester we started using Business English ActiveTeach, which provides software for interactive whiteboards. It has made the learning process much more exciting and student friendly.”

LIFESTYLE

Vicki Hollett, Norman Whitby, Iwonna Dubicka, Margaret O’Keeffe, Irene Barrall, John Rogers

Lifestyle is designed to meet the everyday language requirements of people who need English for work, travel and socializing. As well as dealing with how people communicate at work, it also helps learners interact effectively outside of the work environment, enabling them to ‘get things done’ in a variety of situations.

Dictionaries

More than words

PEARSON

Why choose Longman dictionaries?

Easy to use and understand

Our learner dictionaries use commonly used words to make understanding easy, whatever your level.

Improve communication skills

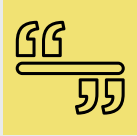

Our learner dictionaries help you learn vocabulary and understand words in context.

Develop natural English

Our learner dictionaries use definitions and include whole, authentic sentences to help you develop natural English.

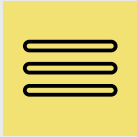

What makes Longman dictionaries better?

Why invest in a Longman dictionary?

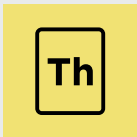

Definitions

Definitions are written using only 2,000 common words, so they are easy to understand, whatever your level. The most common meanings come first, so it is quicker to find the meaning you are looking for.

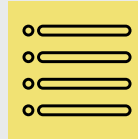

Example sentences

Corpus-based examples show authentic English, and how words are used in context, to help you develop natural English.

Thesaurus

Synonyms have definitions and example sentences, helping you expand your vocabulary

Academic Word List

Words from the Academic Word List are highlighted to help you focus on learning academic vocabulary, so you can understand academic texts better.

Collocations

Improve your fluency with the highlighted common word combinations and express yourself naturally.

Grammar

Key grammar explanations help you write and speak correctly.

Longman Communication

- Research shows you need to know roughly 9000 word families to understand a wide variety of authentic texts. Based on the latest research, Longman have now created a list of the 9000 most frequent words in English – the Longman Communication 9000.
- The Longman Communication 9000 has been developed from the Longman Communication, which features the 3000 highest frequency words and is still used in some of our dictionaries.
- The Longman 9000 represents the core of the English language. It shows you which words are the most important to learn for effective communication.

Look inside

See how Longman Dictionaries are constructed to help teachers and learners understand and develop their level of English. On the opposite page is an example from the new, 6th edition of the Longman Dictionary of Contemporary English.

Example signposts

Frequency

The most important 9000 words to learn in English are highlighted in red. ●●● indicates the top 3000 words; ●●○ indicates the next most important words; ●○○ indicates the less frequent yet important next 3000 words.

Spoken English

S1, S2 and S3 means that the word is one of the 1000, 2000 or 3000 most common words in spoken English.

Written English

W1, W2 and W3 means that the word is one of the most common words in written English.

Academic Word List

This label indicates that a word is included in the *Academic Word List*. These are important words to know if you are studying or are writing academic assignments.

ev-i-dence¹

Part of speech

Words that have the same spelling, but have different parts, are listed separately and given different numbers. This is highlighted in the yellow circle above.

'eɪdəns

Pronunciation

Pronunciation is shown using the International Phonetic Alphabet (IPA). If the British and American pronunciations are different, the British pronunciation is shown first and the American pronunciation has a dollar sign in front of it.

AZAR-HAGEN GRAMMAR SERIES

4th Edition

Betty S. Azar and Stacy A. Hagen

Clear, direct and comprehensive, the Azar-Hagen Grammar series uses a grammar-based teaching approach, blending grammar methodology with communicative methods. Grammar is used as the starting point for the development of all language skills — speaking, listening, reading and writing. The Azar-Hagen Grammar series describes how English works and uses grammar as a springboard for interactive, communicative practice opportunities.

New MyEnglishLab (Basic and Fundamentals) offers online instruction through a dynamic combination of interactive exercises, animation, readings, audio and voice recordings with gradebook.

“The explanations of the grammar points are detailed and extremely clear. I love that my students have the opportunity to learn new words as they practice grammar. Students can use their books as a reference for years after their grammar class because of its completeness.”

Sarah Moyer, California State University, Long Beach, CA

“By teaching grammar, I don’t mean teaching rigid ‘rules’. I mean helping students see how English works and giving them lots of opportunities to experiment with their new language and gain confidence. A grammar base leads to interviews, round-robin stories, information sharing, games, small group discussions — the list goes on. Grammar becomes a springboard to successful communication experiences, the building blocks of second language acquisition.

It’s important to note that grammar-based and communicative approaches are not mutually exclusive. Indeed, just the opposite is true. They fit hand in glove. A great deal of research shows that combining a grammar focus with communicative methods accelerates learning.”

Larissa Petrova

KAZAKHSTAN

Methodology is very important to me: knowing what, how, when and where to teach techniques and tips to teachers are highly motivating in my profession.

In the day-to-day reality of a teacher's hard-pressed life, it's sometimes difficult to remember what teaching is really for!

I can still remember my first teaching practice in front of real students, it was terrifying! Like so many people I didn't know even the basics, so where do you find that initial knowledge or develop your skills further?

Today teachers want books that are enjoyable, informative, fun and easy to read and we hope that's what you'll find here.

Just remember, even if you're only half as good as most teachers are, something extraordinary will happen as you walk through the door and the teacher in you kicks in. It may not be the best lesson ever, nor the nicest group you've ever taught, but when the magic works, you suddenly know with a great sense of satisfaction exactly what teaching is for.

Jeremy Harmer, Talks about Teacher Development

THE PRACTICE OF ENGLISH LANGUAGE TEACHING

Jeremy Harmer

The Practice of English Language Teaching is the essential guide for teachers of English. It explains current pedagogy to teachers who want to access the most relevant ELT practices and incorporate them into their lessons.

The fifth edition has been revised to reflect the latest developments in language teaching. Twenty chapters provide a storehouse of information and ideas, whereas the DVD shows whole lesson progression and management, including interviews with teachers about how they structured their class and why.

5th Edition

The material addresses new topics such as the rise of CLIL, flipped classrooms, learner efficacy as well as the development of soft skills like critical thinking, intercultural competence, presentation skills, digital literacies and other 21st century skills.

ESSENTIAL TEACHER KNOWLEDGE

Jeremy Harmer

Essential theory, practical teaching advice and classroom ideas are all presented across two page units, in full colour. Written in accessible English, **Essential Teacher Knowledge** is ideal preparation for Teaching Knowledge Test (TKT) and other entry-level teacher qualifications or as a handbook for any EFL teacher.

Also included in the book are:

- A DVD showing key teaching techniques and teachers from around the world sharing opinions and ideas about key issues for the global English teaching community
- PIN-coded access to extra online material

The impact Pearson has on society is exponential. By training teachers, Pearson indirectly reaches many students, creating an endless chain of learning.

Research shows that teacher quality is the single most powerful influence on student achievement. Studies have shown that teacher success can be fostered through professional development that is sustained, connected to practice, focussed on academic content and supportive of strong working relationships among teachers.

What are Pearson English Readers?

Pearson English Readers are world-renowned stories re-written for English learners and graded to 7 different levels of English. With Pearson English Readers learners of any age can enjoy reading whatever their language level is.

- Bring learning to life! When students enjoy what they're doing they are more motivated to read, learn and succeed.
- Give students the opportunity to choose a reader that is right for them! Choose from a large selection of books and film-based titles across 13 different genres, appropriate for different age groups.
- Engage with young learners! Content Language Integrated Learning (CLIL) Readers help kids discover the world around them through topics such as art, science, and geography, presented in English.
- Make the most of your Readers with additional teacher's resources including Teachers' notes, Activity worksheets and audio CDs. With teacher's resources you can bring more practice into your classroom, improving your students' reading confidence, topic comprehension, vocabulary and spoken and written English.

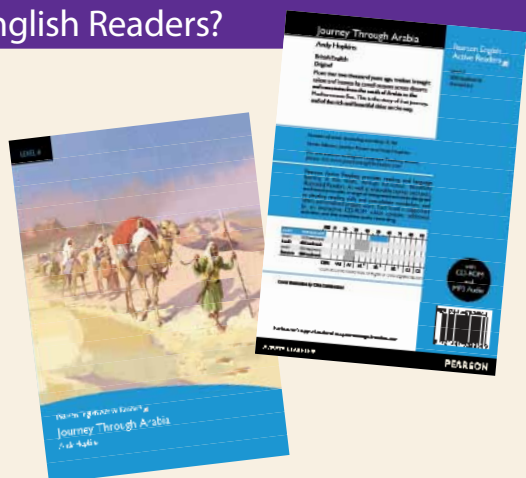

Exciting new name for ELT Readers

In 2015-2016, all of our best-selling titles will be freshly rebranded from Penguin Readers to Pearson English Readers, to better represent us - who we are (Pearson!) and what we do best (English!).

This is just the first step on our exciting journey! Over the next two years, all of our Readers will be rebranded to Pearson English Readers and new iOS and Android apps for eReaders will be released.

What is new in Pearson English Readers?

Pearson English Readers all have new Pearson branded covers complete with beautiful original visuals. With GSE and CEFR-aligned levelling tables on the back covers of Pearson English Readers and Pearson English Active Readers, it will be easier to match your students with the right Reader and the right level for them. Word counts and levels have all been re-checked and fine-tuned.

Available now!

Pearson English Kids Readers app for iPad

The app is now available for free on the app Store with a free sample of each eBook. The Android version will be available in 2016.

- Learning can be more fun with stunning animated illustrations, interactive exercises with soundtrack and other exciting features delivered through the technologies that young learners love and understand.
- Learning can be more efficient with the instant feedback feature and the voice recording tool. Students can compare their voices with the modelled audio and master their pronunciation.
- Learning can be more flexible! With Pearson English Kids Readers app students can learn and read from tablets anytime, anywhere.

FOR BOOKSELLERS

Please contact your local Pearson office or distributor for advice or assistance. If you have difficulty reaching your local office, or if your country is not listed, please contact Pearson Customers Services in the UK.

NO COPYING, SINGLE OR MULTIPLE, OF RECORDINGS IS PERMITTED.

The law allows for a reader to make a single copy of part of a book for purposes of private study. It does not allow the copying of entire books or the making of multiple copies of extracts.

Under no circumstances may schools photocopy materials for use in self-access centres, unless they have registered with CLA or an associated licensing agency and allow/use photocopying strictly in accordance with their regulations. If a school wishes to have multiple copies of a part of a book in a self-access centre, then it must purchase the necessary number of printed books. There is no formal objection to schools physically cutting printed texts into parts and reassembling them in a way that seems appropriate, providing the books or parts of books are not then resold. It is not, however, a practice we would recommend.

In the case of audio recordings, it is permissible for a school to make a copy of an audio CD or file, keeping the original as a back-up. Only one copy may exist at any one time. As an example, a school may copy different parts of an original audio recording onto several CDs, providing that no part of the original exists in more than one copy at any one time. Therefore, if a school wishes to have three copies of one part of an audio recordings, it must have three originals.

All the information contained in this catalogue is correct at the time of going to press (November 2015) and is subject to change without prior notice.

Where no CD-ROM specifications are given, please contact your local Pearson office.
