### A Banquet of Consequences: The reality of our unusually uncertain economic future

Satyajit Das

9781292123806 • ©2016  
352pp • Paperback • £16.99

**Course:** Global Economy

*A Banquet of Consequences* is an intricately researched, decisively written and devastating analysis of today's economy. Satyajit Das connects disparate strands of a story, and in doing so delivers a damning critique of global economic policies of the last 50 years. He argues that governments and citizens of every political hue are now so addicted to growth and resistant to change, that a prolonged period of chronic stagnation, sustained by large infusions of monetary morphine and continuous interventions, or an unavoidable financial, political and social breakdown are the only possible outcomes.
